

# Public Works

**The Public Works department is responsible for the maintenance and expansion of the Town's infrastructure. The department maintains all public property within the Town and is responsible for its upkeep.**

**Fort White citizens who need maintenance assistance, please complete the online form located below "Request for Maintenance Form" to submit your request. You may also call in your request to (386)497-2321.**

\*All necessary forms can be found under the Resource Tab then select Forms.
